

EPILOGUE...

My adventure began before I was born. I didn't have a choice. All I know is that if I could go back in time... Change everything, I wouldn't. The woman I am would be dead, and that, more than anything else in the world, is what scares me.

Think Tessa's Origin ends here? Think again! On April 26, we conclude with a special supplemental featuring Apple Orchard, and the fallout of Cherry Pie!
